Support communities impacted by the Los Angeles Fires.

Donate to CORE's emergency response efforts today at coreresponse.org/southern-california-wildfires/

COPY OPTION #2

Join CORE in supporting the Los Angeles Fires relief efforts!

Hurricane-force winds and raging wildfires across Los Angeles County are a stark reminder: Climate change is here. Resources are stretched dangerously thin, and the need for aid is urgent. Join us today to support relief efforts and help those impacted by the catastrophic Los Angeles fires.

Show your support today, visit coreresponse.org/southern-california-wildfires/

COPY OPTION #3

CORE immediately deployed an emergency response team to support people through the devastating Los Angeles Fires. Our active response includes:

- Distributing cash vouchers so people can purchase items to meet their unique needs.
- Providing thousands of free resources such as N95 masks, hygiene kits, and respiratory checks, as well as helping people with FEMA applications.
- Assisting local shelters by supplying WiFi, charging stations, and cellphone batteries so people can communicate with their loved ones and get critical updates and information.
- Supporting immigrant communities in Los Angeles through our multilingual staff.

Your generosity changes lives. Help people impacted by the wildfires by visiting coreresponse.org/southern-california-wildfires/
